- Innovative Course Design Grant
- Innovative Course Module Design Grant
- [Interdisciplinary Teaching Initiatives \(ITI\) Grant](#)
- Large-Scale Teaching & Learning Grant
- Massive Open Online Course (MOOC) Grant
- Emerging Technology Grant
- SOLER Seed Grant

The deadline to submit proposals is **Monday, May 1, 2023, at 5:00 P.M.**

What funding source are you applying for?

- ☐ Innovative Course Design Grant
 - ☐ Innovative Course Module Design Grant
 - ☐ [Interdisciplinary Teaching Initiatives \(ITI\) Grant](#)
 - ☐ Large-Scale Teaching & Learning Grant
 - ☐ Massive Open Online Course (MOOC) Grant
 - ☐ Emerging Technology Grant
 - ☐ SOLER Seed Grant
-

Click the arrow button to proceed to the application.

Interdisciplinary Teaching Initiatives (ITI)

The Interdisciplinary Teaching Initiatives award is designed to support faculty from different disciplines/departments/schools to work collaboratively on the design and launch of innovative teaching initiatives that will benefit undergraduate or graduate learners across two or more departments and/or schools. Awardees will receive in-kind support from the CTL and funds up to \$20,000 for teams of 2-4 faculty from different departments/schools to consider, develop, and launch interdisciplinary initiatives that enhance student learning. The project must have the potential for making a significant, lasting impact across departments/schools/programs beyond the funding period and must be sustainable. Awardees will also commit to sharing their project as a model for changing approaches to teaching in their home departments/schools.

What is the **name** of the principle investigator (PI) who will act as the primary contact for this grant application?

What is the **UNI** of the primary contact PI?

What is the **title** of the primary contact PI?

What is the **department** of the primary contact PI?

What is the **school** of the primary contact PI?

Please list **additional PIs**, including their names, titles, and UNIs:

Please enter the full **title** of your proposal:

Please enter the **budget** requested in your proposal:

Does your proposed project include the application of generative artificial intelligence tools to enhance teaching and learning?

☐ Yes (1)

☐ No (2)

Does your proposed project create a new course or modify an existing course?

☐ New

☐ Existing

☐ Proposed initiative is not course-based

If previously existing, what is the **course name and number**?

Is this a graduate or undergraduate course?

☐ Undergraduate

☐ Graduate

☐ Both

If an existing course, how many students were enrolled the last time it was offered?

How many students do you anticipate will enroll in the course?

What is your role in your department, school, or program, with respect to the project?

Upload your documents.

Attach your proposal with combined letter of support from your department chair or vice dean as one PDF.

Click the arrow button below to submit your completed application.
